

Foundry 30 Topmount

30-inch drop-in fireclay · Standard fine fireclay

OVERALL DIMENSIONS	30" L × 18" W × 9" D (762 × 457 × 229 mm)
WEIGHT (EMPTY)	38 kg
BOWLS	1
DRAIN POSITION	Center rear
MATERIAL	Fine fireclay, fired >1,250°C, vitreous glaze
AVAILABLE FINISHES	Matte Bone, Gloss Alabaster, Stone Grey, Fired Charcoal
CABINET FIT	Fits a standard 33-inch base cabinet with a 29" × 17" (approx.) counter cut-out. The sink is 30" L × 18" W × 9" deep.
HEAT RESISTANCE	Up to 530°C
CERTIFICATION	cUPC (IAPMO B45) · ISO 9001 manufacturing
WARRANTY	10-year limited warranty, body and glaze

FEATURES

- Engineered self-rimming edge
- Three pre-drilled tap holes (configurable)
- Quick-fit clip system
- Pairs with all Burly accessory rails

CARE & MAINTENANCE

The rim-on-counter joint is the Foundry's only maintenance point: wipe standing water off the rim rather than letting it pool against the silicone, and refresh the bead if it ever lifts. The glaze itself follows the universal fireclay routine, daily rinse, weekly pH-neutral cream clean, no abrasive pads, and shrugs off heat to 530°C.

Fireclay is a kiln-fired ceramic; dimensional variance of ±2% is normal under the B45 standard. Always template from the delivered sink.
