CERTIFICATION	cUPC (IAPMO B45) · ISO 9001 manufacturing
WARRANTY	10-year limited warranty, body and glaze

FEATURES

- Equal 50/50 bowl split
- Twin drains for parallel use
- Fluted apron option available
- Suitable for granite, quartz, and timber counters

CARE & MAINTENANCE

Fireclay does not care that it is divided: the same routine covers both bowls. Rinse daily, cream-clean weekly, avoid steel wool and neat bleach. The center divide's top edge sees the most contact, resting boards and handles, so give it the occasional wipe with the cream cleaner too. Bottom grids sized for 50/50 bowls are the accessory we recommend most for this model.

Fireclay is a kiln-fired ceramic; dimensional variance of ±2% is normal under the B45 standard. Always template from the delivered sink.
